

Cabernet Sauvignon

2016 | HORSE HEAVEN HILLS

Winemaker's Notes

This Cabernet Sauvignon gives us aromas of ripe black fruit with notes of baked blackberry pie, warm baking spices, and earthy undertones. The voluminous fruit carries through in the mouth. Powdery tannins give structure to the wine while maintaining an elegant, balanced mouth feel, with a soft, velvety lingering finish. This wine shows great expression of the terroir of the Horse Heaven Hills.

Vineyard Sourcing

The fruit for this wine is grown at our acclaimed Estate Vineyards in the Horse Heaven Hills. The fruit is exposed to dappled sunlight, allowing for uniform ripening and flavor development. Well balanced crop levels have allowed us to create wines with great depth and concentration.

Growing Season

The 2016 vintage started ahead of schedule and had everyone thinking it was going to be even warmer than 2015, however unusually cool temperatures in July and August were followed by a cool October. The cooler summer temps allowed for longer hang time into September and October. The warm days and cool nights of September gave us ample fruit flavor development balanced with bright acidity.

Winemaking

These grapes were double sorted, first in the vineyard with the selective harvest tool on our Pellenc harvesters, then again at the winery on our sorting table. The fruit was not crushed in order to preserve as much whole-berry as possible. At the winery, individual lots were fermented in stainless steel tanks. Twice daily pumpovers allowed gentle extraction of color and tannins.
